RAISING THE STANDARD FOR HANDHOLE QUALITY

True-Flare Fiber Handhole 17" x 30" x 24"

This American-made handhole offers a true-flared 17" x 30" mouth for a larger workspace to store extra slack and larger splice cases, increasing the potential for future FTTH connections. It is available as Tier 3 pedestrian rated pull box. The lightweight HDPE material also makes it easier for your crew to install and reduces frost heaving, saving you labor time and cost.

SIZE	17" x 30" x 24"
LID WEIGHT	10 lb
BASE WEIGHT	27 lb
MATERIAL	HDPE
VERTICAL LOAD RATING	Exceeds ANSI/SCTE 77 2017
TIER	3 Rating (pedestrian-rated)
STYLE	Flared
